

## SAVE the POGONIP... AGAIN!

The proposed City of Santa Cruz Parks Master Plan (PMP) is considering **several new** mountain biking trails on the Pogonip. We believe these trails will damage the natural beauty, habitat values and serenity of the Pogonip.

Please visit our website at <http://PogonipWatch.org> and consider signing our new petition to the City Council and the City Parks and Recreation Commission. The petition urges that additional mountain biking trails on the Pogonip be withdrawn from the PMP. The existing mountain biking trails are enough.

This effort is sponsored by *Friends of the Pogonip*.  
Call (831) 423-0796 for information.
